

IQAC Meeting
Date : 22nd August, 2019.
venue : Principals' chamber.

An IQAC meeting was organized today on 22nd August, 2019, here at the Principals' chamber of the North Bank college with the following agendas —

1. chairtaking of the chairman.
2. Purpose briefing.
3. Discussion on green drive by the students.
4. Discussion of mobile phones by the students within the campus.

The meeting began with the chair-taking of the Principal Dr. Jugal Sarkia as the chairman of the meeting. Dr. Sarkia also explained the purpose of the meeting. The members discussed that a green drive by the students of the college is a call of the time. However, students have done enough plantation in the college campus as part of their admission procedure. So, the members decided to make the plantation programme outside the college campus covering a larger area. The use of mobile phones was another topic of discussion. In a digital world no one can do away with mobiles. However, it is seen that students, who bring their phones to the college often misuse it. So, the team members decided to arrange a proper counselling programme for the students to discuss appropriate behaviour of the students within the campus.

The members of the meeting wrap their discussions with the following resolutions —

Resolutions taken

- ① A green drive and tree plantation programme will be implemented by the students outside the college campus covering a larger area.
- ② A group of teachers would monitor the use of mobile phones by the students within the campus.
- ③ Students would be inspired to use info-communication systems rather than simple entertainment systems.

IGAC Meeting
Date: 11th Nov. 2019
Venue: Principals chamber

An IGAC meeting was held today, 11th Nov. 2019, here at the Principals chamber with the following agendas: -

1. Chairtaking of the chairman.
2. Purpose explanation.
3. Discussion on the completion of the open stage.
4. Discussion on the construction of roads within college campus.

Dr. Jugal Saxia was nominated as the chairman of the meeting and explained the purpose. He also initiated the discussions and informed the members that the undergoing construction of the open stage of the college had come to a halt as allotted finance had been exhausted. To complete the construction, the college will have to contact some authorities who can help with financial aid. Later it was decided that a proposal would be submitted to the BDO, Ghilamara to sanction financial aid to complete the construction.

Another discussion was regarding the internal streets of the college campus which often becomes non-conducive during rainy seasons. So it was decided that the college authority would draw the attention of the concerned authority about this problem of the college and request them to build up all the internal streets with block interlocking systems.

Resolutions Taken :->

- ① A proposal would be submitted to BDO, Ghilamara to provide financial aid to complete the remaining construction of the college open stage.
- ② A resolution was taken to contact the concerned authority to build college street with block interlockings.
